**PETITION FOR WITHDRAWAL FROM ISSUE
PURSUANT TO 37 C.F.R. 1.313(c)**

Mail Stop PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition pursuant to 37 C.F.R. 1.313(c) for withdrawal from issue to consider the accompanying Request for Continued Examination (RCE) and the Amendment Accompanying RCE attached thereto. Upon review of a related U.S. application, applicants' undersigned attorney had discovered an error in the priority claim for the present application. That error was not discovered earlier since it was assumed that the priority claim was correct. The undersigned attorney's firm also had taken over prosecution of this application from another law firm in late 2003, shortly before an Information Disclosure Statement was filed on April 8, 2004 and the issue fee was paid on May 3, 2004. It is necessary that the application be withdrawn from issuance to correct the priority claim. Accordingly, applicants respectfully request withdrawal of the application from issue so that the RCE and the accompanying Amendment can be considered.
